## Resolution SLS-R-2015-03-004

### SDLS GB2 Project Status

**30 March 2015**

Gian Paolo Calzolari      SLS Area Director

Gilles Moury                      SLS Deputy Area Director

**The Space Link services Area,**

**CONSIDERING** that

- The Space Data Link Security WG is currently working for producing Issue 1 of the Green Book on “Space Data Link Security Concept of Operation”, and
- Issue 2 of the Green Book on “Space Data Link Security Concept of Operation” will be eventually produced after finalization of Extended Procedures, and
- Start date and resources for the related CWE Project have not been identified yet

**RECOGNISING** that the “Space Data Link Security Concept of Operation” Green Book Issue 2 project will only be started when adequate resources will be available and those resources will need CMC approval via dedicated poll

# Space Link Services Area

**RESOLVES** to request CMC to set the status of the “Space Data Link Security Concept of Operation” Green Book Issue 2 project to “draft” .
