Space Link Services Area

Resolution SLS-R-2018-07-001

Publication of "Spectral Pre-Processing Transform for Multispectral & Hyperspectral Image Compression" CCSDS 120.3 Green Book

10 July 2018

Gian Paolo Calzolari   SLS Area Director

Gilles Moury   SLS Deputy Area Director

The Space Link services Area,

CONSIDERING that

- The Multispectral and Hyperspectral Data Compression Working Group produced a draft Green Book CCSDS 120.3 on "Spectral Pre-Processing Transform for Multispectral & Hyperspectral Image Compression" to support CCSDS-122.1-B
- the WG has consensus on this draft version

Space Link Services Area

RESOLVES to request CMC to approve publication of "Spectral Pre-Processing Transform for Multispectral & Hyperspectral Image Compression" Green Book

RECOMMENDS that the CMC approve this resolution and, finally

REQUESTS that a CMC poll be conducted to accomplish this.
