The screenshot displays the CCSDS CMC Polls interface. At the top, there are navigation links for 'BROWSE' and 'VIEW', and a header with 'CCSDS.org', 'CWE', 'Areas', 'Management', 'Framework', and 'My Pro'. The main heading is 'CMC Polls'. Below this, there are two buttons: 'Click Here to Vote' and 'Return to Open Polls'. A sidebar on the left lists 'Polling' options: 'CMC Open Polls', 'CMC Closed Polls', 'CESG Open Polls', 'CESG Closed Polls', 'Recycle Bin', and 'Site Contents'. The 'Votes Cast' section shows a table with columns for 'Agency', 'Created By', 'Results', 'State Conditions', 'Created', and 'Edit'. A row shows 'CNES', 'Brian Oliver', 'Adopt', '1/19/2022 11:11 AM', and an edit icon. Below the table, the poll details are shown: 'Poll Title' is 'CMC-P-2021-12-001 New 3.06 Cross Support Transfer Services Working Group Project - Orange Book', and 'Question' is 'The CCSDS Management Council, CONSIDERING that the resources requirements and agencies volunteering resources have been identified by the 3.06 Cross Support Transfer Services Working Group Project and documented in the CCSDS Management Framework for the following project: - Cross Support Transfer Services: Return CFDP PDU Service | Orange Book https://cwe.ccsds.org/fm/Lists/Projects/DispFormDraft.aspx?ID=742 and ACKNOWLEDGING that the responsible Area Director and CESG Chairman has reviewed the submission, AUTHORIZES the 3.06 Cross Support Transfer Services Working Group Project to proceed with work on the identified project with the above with the associated timelines indicated.' At the bottom, a table shows 'Opens' on '1/19/2022' and 'Closes' on '2/2/2022'.
