

CSS-R-2023-06-001, *Resolution for Publication regarding SLE – FCLTU (CCSDS 912.1)*

The CSS Area,

CONSIDERING that the CCSDS Recommended Standard SPACE LINK EXTENSION—
FORWARD CLTU SERVICE SPECIFICATION, CCSDS 912.1-B-4 is due for a 5-year refresh;

and NOTING that the agency reviews have been completed;

and RECOGNIZING that the Cross-Support Transfer Services WG has updated the
recommended standard with respect to all changes necessary for the accepted RIDs;

RESOLVES that the recommendation be published as Blue Book Issue 5;

And REQUESTS that the CCSDS Secretariat initiate the required CESG and CMC publication
polling.

[End Resolution]
