

CSS-R-2024-09-001, *Resolution for Creation of the CDDS WG (3.08)*

The CSS Area,

CONSIDERING that a CSS Area BOF to investigate creation of a new Working Group, Cloud Data Delivery Standards (CDDS), has concluded its work;

and NOTING the BOF developed a concept paper recommending creation of a CDDS WG;

and RECOGNIZING that the concept paper produced by the BOF has been presented and discussed positively with both the CESG and CMC and that a charter for a CDDS WG has been drafted;

RESOLVES that the Cloud Data Delivery Standards WG be created;

and hereby REQUESTS that the Secretariat proceed with all necessary processing and polling for the CDDS WG creation.

[End Resolution]
