

**CSS-R-2024-12-004**, *Resolution concerning technical corrigendum for 902.02-B-1 Cross Support Service Management—Communications Planning Information Format*

The CSS Area,

CONSIDERING that

- a) 902.02-B-1 Cross Support Service Management—Communications Planning Information Format depends on 901.12-M-1 Cross Support Service Management – Common Data Entities for some of its formal specifications, and,
- b) Per resolution CSS-R-2024-12-001, the 902.12-M-1, Common Data Entities is soon to be published as 902.12-M-2 and that this affects 902.02 (Communications Planning Information Format);

and RECOGNIZING that the technical changes for 902.02-B-1 have been produced to the satisfaction of the Working Group;

RESOLVES to respectfully request the CCSDS Secretariat to prepare the necessary corrigendum in conformance with the corrections indicated and to initiate polling to formally publish the corrigendum for 901.02-B-1 Cross Support Service Management—Communications Planning Information Format.

[End Resolution]
