

How To Vote on CESG Polls

<p>1)</p>	<p>To view Open CESG Polls, Visit: https://cwe.ccsds.org/fm/Lists/CESGPollQuestion/</p> <p>If you are not currently logged into the CCSDS CWE, enter your username and password at the dialog prompt, and sign in.</p>	
<p>2)</p>	<p>Once signed in you will see the Open CESG Polls Page.</p>	
<p>3)</p>	<p>To cast a vote for a CESG Poll, click on the title of the Poll.</p>	

4) The voting page will now load. Review the Questions and Attachments for the Poll. Once you are prepared to cast a vote click on the “Click Here to Vote” button.

5) A Pop-Up window will appear. Cast your vote in this window. Click “Save” to cast your vote.

6) Your vote has now been cast, and you will see the vote in the “Votes Cast” section. You can either return to the Open CESG Polls Page by clicking on the “Return to Open Polls” button or edit your vote by clicking on the edit “icon”.

The screenshot shows the CWCE website interface. At the top, there is a navigation bar with 'BROWSE' and 'VIEW' options. The main header includes the CWCE logo and the text 'CCSDS.org CWCE Areas Management Framework My Profile Request Login'. Below this, the page title is 'CESG Polls'. There are two prominent blue buttons: 'Click Here to Vote' and 'Return to Open Polls'. On the left side, there is a sidebar menu with options like 'Polling', 'CMC Open Polls', 'CMC Closed Polls', 'CESG Open Polls', 'CESG Closed Polls', 'Recycle Bin', and 'Site Contents'. The main content area features a 'Votes Cast' table with the following data:

Area	Created By	Response	State Conditions	Created	Edit
SEA-AD	Brian Oliver	APPROVE UNCONDITIONALLY		1/19/2022 11:20 AM	

Below the table, the poll details are displayed:

- Poll Title:** CESG-P-2021-12-001 Approval of New Deputy Chair for SLS-Data Compression Working Group
- Question:** The CCSDS Engineering Steering Group: CONSIDERING that: The position of deputy chair for the SLS-Data Compression Working Group is vacant; and all CCSDS member Agencies have been asked to provide candidates for the position of SLS-Data Compression Working Group deputy chair; and only one candidate has been received for appointing Lucana Santos (ESA) as Working Group deputy chair; And RECOGNIZING that Mr. Santos is currently been an active member of the SLS-Data Compression Working Group since Spring 2014; RESOLVES to request that Lucana Santos be appointed deputy chair of the SLS-Data Compression Working Group.
- Opens:** 1/19/2022
- Closes:** 2/2/2022
- Attachments:** [Lucana Santos Bio.pdf](#)
