

**CSS-R-2017-06-001**, *Resolution concerning agency review of Cross Support Transfer Service – Tracking Data*

The CSS Area,

CONSIDERING that the CROSS SUPPORT TRANSFER SERVICE – TRACKING DATA SERVICE, 922.2, (“the recommendation”) is a chartered project of the CSTS WG;

and RECONGINZING that the recommendation is based on the CSTS Framework Recommended Standard which has been approved for publication as a CCSDS Blue Book;

and RECOGNIZING that the CSTS WG requested an area level review and that the CSS Area Director’s assessment of the recommendation is that it meets all the criteria of a CCSDS Red Book;

RESOLVES that the CCSDS Secretariat initiate polling for release of the recommendation for Agency Review.
