

Consultative Committee for Space Data Systems

A photograph of a space shuttle launch at night. The shuttle is illuminated from below, and its plume is visible against the dark sky. The launch pad and surrounding area are lit up with streetlights, creating a long-exposure light trail effect on the road in the foreground.

# Cocktail PARTY

*Please Join Us for Happy Hour*

**Westin Courtyard**

**Wednesday, May 10**

**6:30-8:30 PM • Cash Bar**
